Welcome to the **Disney Quick Service Dining Plan**, which offers an easy and affordable way to choose snacks and quick service meals at over 50 selected restaurants throughout *Walt Disney World*® Resort. This brochure outlines the details of what is included and how to use the Disney Quick Service Dining Plan.

Number of Meals During Your Package Stay

The Disney Quick Service Dining Plan includes two (2) Quick Service Meals and two (2) Snacks per person, per night of your package stay for everyone in the party ages 3 and over. The plan also includes one (1) Resort refillable drink mug per person, per package (**eligible for refills at Quick Service locations only in your Disney Resort hotel**).

Example – Number of Meals/Snacks for one Guest ages 10 and over and one Guest between the ages of 3-9 staying five nights:

		Meals Per Person Per Night	X	Number of Package Stay Nights	=	Total Number of Meals/Snacks Per Person, Per Stay
Guest ages 10 and over:	Quick Service Meals	2		5		10
	Snacks	2		5		10
Guest ages 3-9: <small>(must order from a children's menu where available)</small>	Quick Service Meals	2		5		10
	Snacks	2		5		10

Using Your Meals

- Use your meals and snacks in any order throughout your package stay until your total is depleted.
- All unused meals and snacks expire at midnight on your package reservation check-out date.

TIP: You can continue using meals/snacks in any order for the rest of your package stay until each person has depleted his/her allotted meals/snacks. For example, if you use all your snacks on the first day, that will leave zero snacks for the remainder of your stay.

Finding Disney Quick Service Dining Plan Locations

- Your Disney Quick Service Dining Plan is available at over 50 selected Quick Service Restaurants and selected Snack locations throughout the *Walt Disney World*® Resort. See the back of this brochure for a listing of locations.

Tracking Your Meals

- Your meal usage will be tracked electronically to your package reservation.
